## ABERDEEN PROVING GROUND TO CONDUCT TRAINING EXERCISE

- The Aberdeen Test Center at Aberdeen Proving Ground will support a training exercise from July 17 to 29.
- Both day and nighttime exercises will be conducted. Activities may take place in Aberdeen Proving Ground's restricted waters and/or in the air, over both land and water. Activities can include weapons firing and use of multiple aircraft and watercraft.
- Residents and boaters in the surrounding communities may hear weapons firing and aircraft as well as observe aircraft flying at low altitudes. Illumination devices may create flashes of light visible off-post.
- Questions should be directed to 410-278-1147, 410-278-1153 or 800-688-8705.
